

Legal Protection & Advice for your business

Introduction to legal expense insurance

Pursuing or defending a legal action isn't always straightforward. Many Canadians are too wealthy to qualify for legal aid, but not wealthy enough to afford a lawyer. Don't let the complexities and cost of the justice system stop you from pursuing your rights. With DAS Canada's legal expense insurance coverage, you have access to legal advice and guidance.

Why take a chance?

In today's complicated business landscape, business owners are facing legislative changes, tax investigations, health and safety issues and much more. The cost (and time required) to handle these issues can add up fast. That's why you need the security and protection of a *DASbusiness* policy. For as little as **\$400** you are covered for:

- Employment disputes
- Legal defence
- Statutory licence protection
- Contract disputes and debt recovery
- Property protection
- Bodily injury
- Tax protection
- **Unlimited** telephone legal advice

**BEING RIGHT IS ONETHING
ACCESSING YOUR RIGHTS IS ANOTHER**
