## ELITE EQUINE PROGRAMS

We Have You Covered

Partnership is an essential part of the global JLT Sport client management philosophy. We seek to partner with every client by thoroughly understanding their needs and goals. Each of our customized insurance and risk management solutions are designed by insurance specialists who have practical and extensive experience within your industry.

With experience spanning more than 26 years, members of the JLT Sport Team are leading experts in this highly specialized and unique industry; experts that have owned pleasure horses, show horses, and racehorses; brokers who have owned and operated farms including: boarding, breeding, training, and riding instruction stables. We understand your needs and your business.

**JLT Sport  
understands  
your needs and  
your business**

JLT Sport is passionate about delivering innovative and comprehensive products, programs and services to the Equine Industry. Our dedicated team of professionals combines

years of knowledge and industry experience to provide world class insurance and risk management solutions to a diverse group of national and international equine clients. Some of the many Equine client groups that are benefiting from the specialized services of JLT Sport include:

- Pleasure and Professional Horse Owners of All Disciplines
- Equine Farm Owners and Operators
- Breeders
- Boarding Stables
- Coaches and Trainers
- Jockeys
- National and Provincial Equine Associations and Clubs

With the confidence of knowing the JLT Sport team is considered one of the leading sport insurance brokerages in the world, it gives our clients the comfort and stability they are looking for in their insurance solutions.

**The JLT Solutions Commitment** – At JLT, while specific programs have been designed to offer clients a wide range of comprehensive solutions, there are also instances where the clients unique needs require a customized approach. It is in these circumstances that JLT's global reach and market experience is best able to benefit its clients. If there is not a solution in place to meet your needs, JLT Sport will work to find and implement one for you.

**Other Insurance** – JLT Sport works very closely with the other specialist divisions within the JLT group who provide insurance solutions and risk management services in a wide range of sectors. If you require any additional insurance solutions or would like to discuss your unique insurance needs, please contact a JLT solutions specialist who would be happy to assist and work directly with you to evaluate, manage and mitigate any insurance issues you may currently be dealing with.
